

LOUISIANA DEPARTMENT OF AGRICULTURE & FORESTRY
MIKE STRAIN DVM
COMMISSIONER

June 27, 2008

Dear Member:

Dr. Strain requests that I bring to your attention new ethics reporting legislation that was signed into law yesterday by Governor Jindal and which becomes effective on July 1, 2008. As a member of a state board or commission, you should be aware that Act 472 might require you to disclose in writing income information on you and/or your spouse to the Louisiana Board of Ethics (even if you did not have to report such in the past).

The bill can be reviewed on our website at www.ldaf.la.gov. You should direct any inquiries about the requirements of the law to the LA Board of Ethics at 225-763-8777.

Thank you in advance for your time and attention to this important matter.

With kind regards, I remain

Sincerely,

Assistant Commissioner
